**E AND E OUTLINE AND OUTLINE GUIDE**

The revised outline presented is designed for the new, expanded E and E reports and incorporates additional topics required to meet the combined needs of the Army, Navy, and Air Force. The outline is given in skeletal form so that variations may be made to meet the needs of an evader in a specific country or area. Conversely, several of the headings that were considered of sufficient importance to be included in a general outline may not apply to all countries. Some countries may have no

25X1C

In the Outline Guide, which follows, suggestions are given concerning topics that should be included under the general headings. The suggestions are based on the large number of E and E reports that have already been issued by the Division. The list is not complete and probably will need revision; a few countries may not fit into the outline at all. Any suggestions that authors may have regarding the improvement of the outline or guide will be appreciated.
